tulle framing the windows, tulle in a canopy over the bed; you could even make a jeweled crown to hold it up, like this lucky dog's got:

puori synbiotics

(is a chair a chair because i call it a chair or is it a chair because of its function?)

bodylogix natural isolate 4lb vanilla bean paste

proactiv secret blender

using diatomaceous earth as a geese feed supplements

over and over, replaying the same goddamn movie reel, the sun would never rise and the night would last

leany greeny

the natural talent and kindness in playing with all the pieces was invaluable

laleur skin cream
